We give you something to smile about

LIVE UNITED[®]

Smiles like Taylor's can happen because funding from the United Way supports our work of providing high-quality and expedient care to patients that live in and around the Southbridge area.

Relax, we got you covered

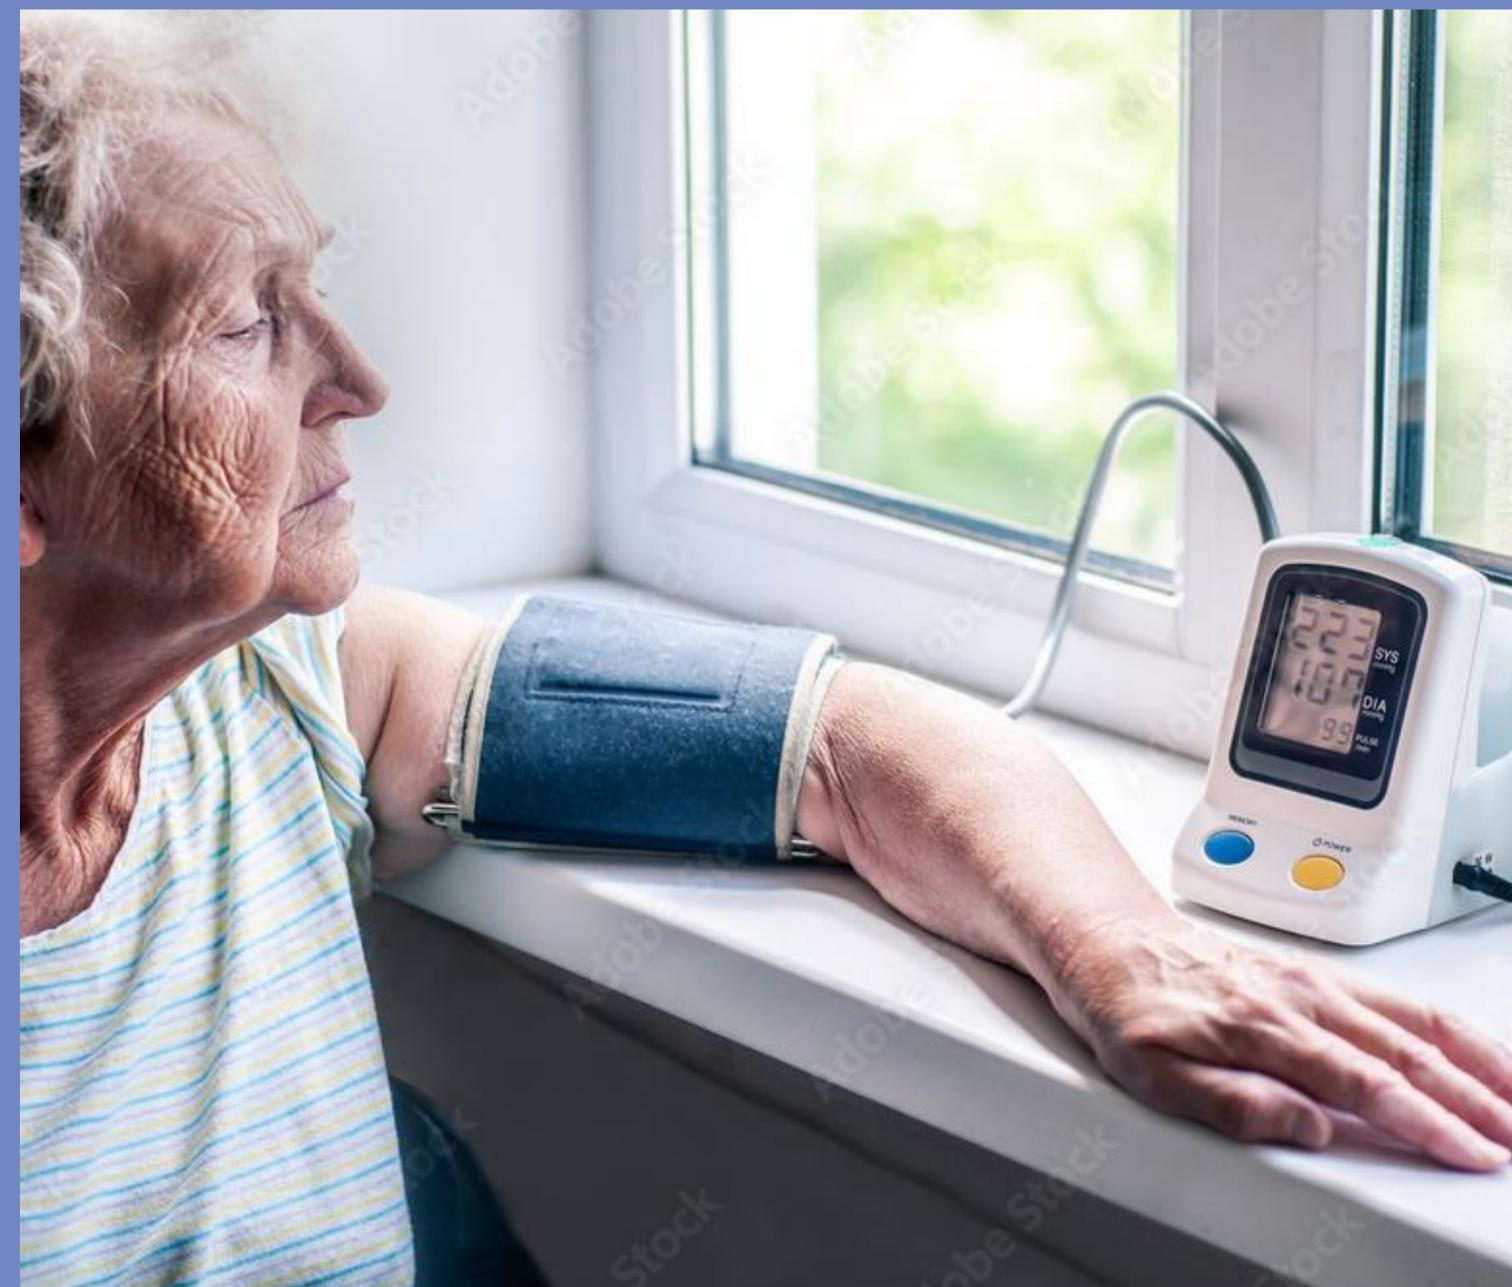

LIVE UNITED[®]

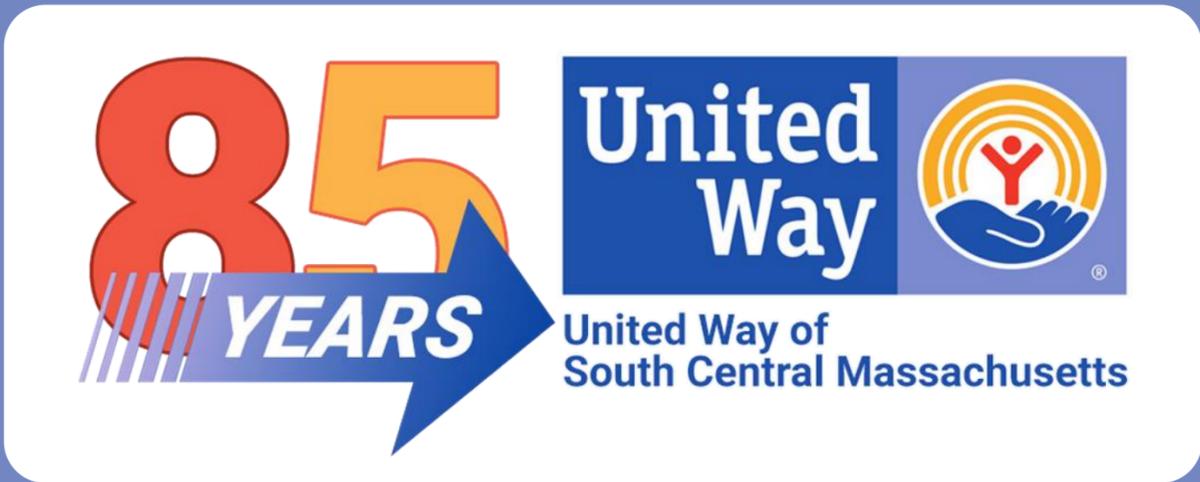

After a hospital stay, Norma had many unstable medical conditions, but because she had access to a home monitor device, she was able to recover at home and spend valuable and meaningful time with her husband who was in hospice care.

Knowledge is power

LIVE UNITED[®]

"A current student told me not long ago that the prior Sunday for the first time she understood all that was said at the church service. She was delighted and excited. She's now preparing to take a nursing exam so she can practice her profession in Massachusetts"

Dream big

LIVE UNITED[®]

“I want to be a lawyer when I grow up” Making dreams come true with the help of afterschool programs that encourage homework, sports, and STEM. You can be whatever you want.

A hot meal and a warm smile

LIVE UNITED[®]

Agnes is able to have a quick visit with her Meals on Wheels driver when her hot meal is delivered. This gives her family peace of mind knowing she is receiving a nutritious meal and that she is well.

The income cliff

LIVE UNITED[®]

Susan and her husband have 2 children, and after being out of work due to having COVID, they fell behind on bills. Catholic Charities was able to provide 100 gallons of oil for the family, which enabled the family to stay current on their mortgage payment.
