

LIVE UNITED

OUR IMPACT IN THE COMMUNITY

At United Way, we fight for the health, education, and financial stability of every person in our local community. Our solution is the same as always: to live better, we must Live United.

Through 21 non-profit agencies and 26 programs, people of all ages receive assistance. Here are some of the ways your support made a difference. Without these funds, these programs wouldn't be able to help, and community members would go without these services.

Thank you!
We can't do it without you!

New Hope has provided counseling to 646 survivors of domestic violence and sexual assault.

MOVING FORWARD TOGETHER

For 85 years the United Way has had a presence in South Central Massachusetts. Starting in 1937 as a Community Chest in Southbridge to raise funds to distribute among five local agencies, it has expanded to the five towns of Charlton, Dudley, Southbridge, Sturbridge, and Webster, and now serves over 70,000 residents and supports 26 programs that directly impact lives. When we Live United within our communities, we can help those in need and empower those who are most vulnerable. We will move forward into the next years together, supporting programs that address the region's highest priorities in the areas of early education and youth development, basic needs of health and housing, and economic opportunity. We are there every step of the way for decades to come.
